Round 4: 2016 Western New York

Off-Road Association (WYNOA) Hare Scramble Series

Hurd Motorsports, promoters of the Broome-Tioga Sports Center, hosted round 4 of the Western New York Off-Road Association's (WYNOA) Hare Scramble Series on Sunday, May 29, in Binghamton, New York. Mother Nature cooperated by bringing sunshine and blue skies and warm temperatures that made dust a problem, especially on the starts of the quad divisions.

Rider turnout was spectacular! The pit area was filled to capacity and even extended to the national hill area, making it look like a motocross national was underway. Track conditions started out good due to the excellent work of the dedicated Broome-Tioga track crew. They began watering the racecourse early in the day but the warm temperatures and strong breeze quickly dried out the track surface and dust became a factor, especially for the starts of the quad divisions.

The WYNOA race series uses a transponder system for scoring. Mechanics and spectators can monitor their riders lap times and position in real time on a large screen monitor near the scoring/transponder area.

When the green flag flew signaling the start of the AA bike class, Matthew Keefer, Dallas Mica, Brett Ward, Josh Lord, James Steiner Jr. and Marcus Scutt-Cornell led the pack out of the first turn and onto the racecourse. When the leaders exited the second turn, Mica had taken the lead and was followed by Keefer, Steiner, Carter Calkins and Ward.

After the leaders came through the scoring/transponder area and started lap two, Scutt-Cornell had taken the point position. Ward moved up to second, Trevor Cobb now held third, Keefer dropped back to fourth and Benjamin Bouwens rounded out the top five.

Matthew Keefer (62), Dallas Mica (1), Brett Ward (26), Josh Lord (28), James Steiner Jr. (6) and Marcus Scutt-Cornell (22) lead the start of the AA division bike hare scramble.

Leonard continued to lead the AA division at the start of lap five and had a four second lead over Bouwens in second. Maryott, Calkins and Keefer rounded out the top five.

Leonard continued to extend his lead and started the sixth lap with a 24-second advantage. Maryott passed Bouwens to take second. Bouwens was relegated to third. Calkins and Keefer remained fourth and fifth.
