Hill Drags at Broome-Tioga

Hurd Motorsports, promoters of the Broome-Tioga Sports Center, continue to expand their race promotion business with the addition of Hill Drags.

Hill Drags, as defined by Hurd Motorsports, are side by side dirt drags for Motorcycles, ATV's, and Trucks. The truck classes are the same as those used for Mud Bogs and Tuff Truck racing. Motorcycle and ATV classes have been added so that the motorcycle racing community may also participate in this new form of off-road racing.

This new form of racing will use the hill that is located near what is known as the Carmichael Triple on the world famous Broome-Tioga AMA National Motocross racecourse. The strip is 500 feet long dirt uphill runway with more than 1000 feet of shutdown.

The big money class for this new event was the Modified truck class. Driver Bob Singer, piloted the number 9 Jeep to the top of the podium. Dave Toton and Corey Robinson completed the Modified truck division podium.

Mike Parks topped the podium of the 2 wheel drive ATV division. Keith Keefer and Shawn Harkness rounded out the rostrum.

Keith Keefer topped the ATV Open Money class just edging out Mike Parks and Dustin Grier.

Marshall Hurd took the top tier of the Motorcycle Open Money Paddle Tire division by beating Jerry Roys, not once but twice, even though he was out powered by Roys bike by 200cc.

Kayla Boorum took home the win in the Motorcycle 125-250cc division just ahead of Colton Harkness, aboard the number 188 Honda 2-stroke.
